Readers Guide and Summary	i
---------------------------------	---

Chapter 1: Introduction

Background	1
Purpose and Need	1
Planning Area	2
Collaboration	2
Planning Process	4
Scoping	4
Issues Addressed	4
Issues Considered but Not Further Analyzed	6
Planning Criteria	7
Related Plans	8
Relationship to BLM Policies, Plans, and Programs	9
Vision and Management Goals	10
Development of Alternatives	10
Draft Resource Management Plan	11
Final Resource Management Plan	11

Chapter 2: Alternatives

Introduction	13
General Description of Each Alternative	13
Decisions Common to All Alternatives	15
Air Quality	15
Cultural Resources	15
Fish and Wildlife	16
Geology	19
Soils	19
Vegetation – Native Plants	19
Vegetation - Riparian	20
Vegetation – Noxious and Invasive Plants	21
Visual Resources	21
Water Quality	22
Water Developments and Water Rights	22
Reserved Water Rights	22
Lands and Realty	23
Livestock Grazing	24
Minerals – Oil and Gas	26
Recreation	27
Transportation	28
Fire	28
Wilderness Study Areas	29
Current Management and Action Alternatives	30
Health of the Land and Fire	31
Fish and Wildlife – Greater Sage-Grouse Habitat	32
Fish and Wildlife – Black-Tailed Prairie Dogs	33
Fish and Wildlife – Mitigation	34
Vegetation	36
Range Improvements	38
Visual Resources	38
Forest Products	40

Right-of-Way Corridors, Avoidance Areas, and Exclusion Areas	40
Land Ownership Adjustment	42
Fire	42
Wild and Scenic Rivers (Cow Creek, Eagle Creek and Dog Creek)	46
Visitor Use, Services and Infrastructure	47
Recreation	48
Upper Missouri River Special Recreation Management Area (SRMA)	55
Uplands Special Recreation Management Area (SRMA)	64
Natural Gas Exploration and Development	67
Oil and Gas	68
Oil and Gas Lease Stipulations and Conditions of Approval	68
Natural Gas Operations	82
Access and Transportation	89
Access	90
BLM Road System	91
Aviation	101
Alternatives Considered but Not Analyzed in Detail	102
Comparison of Alternatives	103

Chapter 3: Affected Environment

Introduction	139
Critical Elements	139
Air Quality	139
Climate	139
Cultural Resources	140
Fish and Wildlife	142
Geology	146
Paleontology	149
Soils	149
Vegetation – Native Plants	151
Vegetation – Riparian	152
Vegetation – Noxious and Invasive Plants	153
Visual Resources	153
Water	154
Forest Resources	156
Lands and Realty	158
Livestock Grazing	158
Minerals – Oil and Gas	159
Recreation	165
Transportation	172
Fire	174
Special Designations	176
Social and Economic Conditions	182

Chapter 4: Environmental Consequences

Introduction	197
Analysis Assumptions and Guidelines	197
Cultural Resources	197
Fish and Wildlife	197
Water	198
Minerals – Oil and Gas	198
Recreation – River	199
Recreation – Uplands	200
Fire	200

Range Improvements	200
Transportation	200
Social	200
Impacts from the Alternatives	200
Air Quality	201
Cultural Resources	203
Fish and Wildlife	206
Geology and Paleontology	229
Soils	230
Vegetation – Native Plants	245
Vegetation – Riparian	256
Vegetation – Noxious and Invasive Plants	257
Visual Resources	262
Water	267
Forest Resources	268
Lands and Realty	269
Livestock Grazing	271
Minerals – Oil and Gas	280
Recreation	291
Transportation	312
Fire	323
Wilderness Study Areas	326
Social	331
Economics	339
Unavoidable Adverse Impacts	342
Short-Term Use versus Long-Term Productivity	342
Irreversible and Irrecoverable Commitment of Resources	342

Chapter 5: Consultation and Coordination

Introduction	343
Public Participation Opportunities	343
Plan Distribution	346
List of Preparers	351
Bibliography	355
Glossary	365
Index	373

Appendices

A Proclamation	375
B Significant Objects	381
C Scoping Issues	387
D Issues Considered but Not Further Analyzed	395
E Vision and Management Goals	399
F Federal and Montana Air Quality Standards	401
G Best Management Practices	403
H Standards for Rangeland Health and Guidelines for Livestock Grazing Management	409
I Wild and Scenic River Eligibility and Suitability Report	413
J Standards and Indicators	429
K Oil and Gas	435
L Wildlife	479

M	Soil Survey Geographic (SSURGO)	489
N	Vegetation Species Common in Riparian Areas	501
O	Noxious/Invasive Plant Species at Recreation Sites	503
P	Rights-of-Way	505
Q	Grazing Allotments	507

Figures

1.1	Upper Missouri River Breaks National Monument	3
1.2	Steps in Preparing the Resource Management Plan	4
3.1	Geology of Northcentral Montana	147
3.2	Geologic Formations	148
3.3	Monument Study Area	160
3.4	Meter Shed	163
3.5	Well Head Only	163
3.6	Meter Run within Meter Shed	163
3.7	Historic Visitor Use on Upper Missouri River, 1975-2004	168
3.8	Upper Missouri River Visitor Use Distribution by Week, May-September 2004	169
3.9	Comparison of Commercial and Total Upper Missouri River Visitor Use, 1997-2004	171
3.10	Distribution of Federal Mineral Revenues from Public Domain Lands	195
3.11	Distribution of Federal Mineral Revenues from Bankhead-Jones Lands	195

Tables

1.1	Surface Ownership by County	2
2.1	Federal Prevention of Significant Deterioration Allowable Increments for Class II	15
2.2	Watershed and Landscape Plans Completed	20
2.3	Montana Wilderness Recommendations for WSAs in the Monument	30
2.4	Visual Resource Management Class Designations	39
2.5	Utility and Transportation Corridors	41
2.6	Klabzuba Pipeline Corridor	41
2.7	Options for Wildland Fire Suppression and Prescribed Fire	43
2.8	Wildland and Prescribed Fire Options – Alternative A (Current Management)	43
2.9	Wildland and Prescribed Fire Options – Alternative B	44
2.10	Wildland and Prescribed Fire Options – Alternative C	44
2.11	Wildland and Prescribed Fire Options – Alternative D	45
2.12	Wildland and Prescribed Fire Options – Alternative E	45
2.13	Wildland and Prescribed Fire Options – Alternative F (Preferred Alternative)	45
2.14	Use of Motorized Watercraft on the Upper Missouri River – Alternative A (Current Management)	57
2.15	Use of Motorized Watercraft on the Upper Missouri River – Alternative B	58
2.16	Use of Motorized Watercraft on the Upper Missouri River – Alternative C	59
2.17	Use of Motorized Watercraft on the Upper Missouri River – Alternative D	61
2.18	Use of Motorized Watercraft on the Upper Missouri River – Alternative E	62
2.19	Use of Motorized Watercraft on the Upper Missouri River – Alternative F (Preferred Alternative)	63
2.20	Oil and Gas Leases in the Monument	69
2.21	Stipulations for Alternative A and the Oil and Gas Conditions of Approval (by Alternative)	70
2.22	BLM Road Classifications	92
2.23	BLM Road Maintenance Levels	92
2.24	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative A (Current Management)	93
2.25	Road Classification and Maintenance Level – Alternative A (Current Management)	93
2.26	Factors Applied to Existing Roads to Determine if Open Yearlong or Seasonally	94
2.27	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative B	96
2.28	Road Classification and Maintenance Level – Alternative B	96
2.29	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative C	97
2.30	Road Classification and Maintenance Level – Alternative C	97
2.31	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative D	98

2.32	Road Classification and Maintenance Level – Alternative D	98
2.33	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative E	99
2.34	Road Classification and Maintenance Level – Alternative E	99
2.35	BLM Roads Open Yearlong, Seasonally, or Closed – Alternative F (Preferred Alternative)	100
2.36	Road Classification and Maintenance Level – Alternative F (Preferred Alternative)	100
2.37	Airstrips Open Yearlong, Seasonally, or Closed (by Alternative)	102
2.38	Summary Comparison of Alternatives	104
2.39	Summary Comparison of the Environmental Consequences	126
3.1	Wildlife Distribution	142
3.2	Unpatented Mining Claims	149
3.3	Visual Resource Management Classes	154
3.4	Perennial and Intermittent Streams	155
3.5	Water Developments	156
3.6	Water Quality Impaired Streams	157
3.7	Land Ownership	158
3.8	Pipelines within the Monument Study Area	164
3.9	Upper Missouri River Visitor Use Statistics, 2002-2004	169
3.10	Upper Missouri River Visitor Use by Segment, 2002-2004	169
3.11	Upper Missouri River Watercraft Use, 2002-2004	170
3.12	Upper Missouri River Visitor Use by Group Type, 2002-2004	170
3.13	Public Access Routes to or within the Monument	173
3.14	BLM-Held Easements	175
3.15	Management Classifications and Boundaries for the Upper Missouri National Wild and Scenic River	177
3.16	Population and Social Characteristics for Counties in the Social Study Area in 2000, 2004	185
3.17	Change in Total Employment in Study Area Counties, 1991 to 2000	187
3.18	Change in Employment, 1991 to 2000, Five-County Area, Montana	187
3.19	Changes in Personal Income and Major Components of Personal Income, 1991 to 2000, Five-County Area, Montana	188
3.20	Industry Output, Employment, Income, and Income per Job, by Standard Industrial Code (SIC) Division, State of Montana, 2000	189
3.21	Industry Output, Employment, Income, and Income per Job, by SIC Division, Five-County Area, Montana, 2000	190
3.22	Industries Ranked by Total Industrial Output (Greater than \$30 Million), Five-County Area, Montana, 2000	191
3.23	Industries Ranked by Total Employment (More than 500 Jobs), Five-County Area, Montana, 2000	191
3.24	Industries Ranked by Total Employee Compensation plus Proprietary Income (Greater than \$9 Million), Five-County Area, Montana, 2000	192
3.25	IMPLAN Output Multipliers for Selected Industries, Study Area, 2000	192
3.26	Unemployment Rates for the Five-County Area and for Blaine, Chouteau, Fergus, Hill, and Phillips Counties, Montana, 1990-2001	193
3.27	Annual PILT Payments by County, 2000 and 2003	193
3.28	Gas Tax Road Revenues by County, FY 2003	194
3.29	Property Taxes Levied for Tax Year 2000 for Counties in the Study Area	195
3.30	Distribution of Grazing Fee Revenues by County	195
3.31	Federal Natural Gas Revenue Disbursements for Study Area Counties, 1999-2001	196
4.1	Reasonably Foreseeable Natural Gas Wells, Roads, and Pipelines	199
4.2	Foreseeable Annual Visitor Use on the Upper Missouri River	199
4.3	Fire Occurrence in the Monument	200
4.4	Wildlife Habitat within the Oil and Gas Leases in the Monument	214
4.5	BLM Road Analysis for Wildlife Habitat, Alternative A (Current Management)	220
4.6	BLM Road Analysis for Wildlife Habitat, Alternative B	221
4.7	BLM Road Analysis for Wildlife Habitat, Alternative C	222
4.8	BLM Road Analysis for Wildlife Habitat, Alternative D	223
4.9	BLM Road Analysis for Wildlife Habitat, Alternative E	224
4.10	BLM Road Analysis for Wildlife Habitat, Alternative F (Preferred Alternative)	225
4.11	Backcountry Airstrips within Wildlife Habitat, Alternatives A (Current Management) and B	226

4.12	Backcountry Airstrips within Wildlife Habitat, Alternative C	227
4.13	Backcountry Airstrips within Wildlife Habitat, Alternatives D and F (Preferred Alternative)	227
4.14	Visual Resource Management Class Designations (acres)	263
4.15	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternatives A (Current Management) and B	264
4.16	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternative C	265
4.17	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternatives D and E	265
4.18	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternative F (Preferred Alternative)	266
4.19	Oil and Gas Leases Affected by the Stipulations and Likely Conditions of Approval, Alternative A (Current Management)	281
4.20	Oil and Gas Leases Affected by the Conditions of Approval – Alternative B	282
4.21	Oil and Gas Leases Affected by the Conditions of Approval – Alternative C	284
4.22	Oil and Gas Leases Affected by the Conditions of Approval – Alternative D	285
4.23	Oil and Gas Leases Affected by the Conditions of Approval – Alternative E	287
4.24	Oil and Gas Leases Affected by the Conditions of Approval – Alternative F (Preferred Alternative)	288
4.25	BLM Road Classification – Alternatives A (Current Management), C, D, and E	313
4.26	BLM Road Maintenance – Alternative A (Current Management)	313
4.27	BLM Road Classification – Alternative B	314
4.28	BLM Road Maintenance – Alternative B	314
4.29	BLM Road Maintenance – Alternative C	316
4.30	BLM Road Maintenance – Alternative D	317
4.31	BLM Road Maintenance – Alternative E	318
4.32	BLM Road Classification – Alternative F (Preferred Alternative)	319
4.33	BLM Road Maintenance – Alternative F (Preferred Alternative)	319
4.34	Vehicle Ways in Wilderness Study Areas, Alternative A (Current Management)	329
4.35	Vehicle Ways in Wilderness Study Areas - Alternative C	329
4.36	The Change in Output, Employment, and Labor Income in the Regional Economy for Alternatives B, C, D, E, and F (Preferred Alternative), 2000	341
